Bank to Bank Transfer Service Agreement

Within IOnline Banking you may separately enroll for the Bank to Bank Transfer service ("Service"). This Service allows you to transfer funds between your linked personal deposit accounts at Community National Bank and certain deposit accounts at other financial institutions. An incoming transfer moves funds into an account at Community National Bank. An outgoing transfer moves funds from an account at Community National Bank to an account outside of Community National Bank. You will need to enroll each of your non-Community National Bank accounts you wish to use for this Service. You agree that you will only attempt to enroll accounts for which you have the authority to transfer funds. All accounts requested to be used as part of this Service will be verified in accordance with Community National Bank's procedures. The verification process must be completed by you prior to using the Service. You will have 10 days after enrolling an account to complete the verification process. Verification instructions are displayed to you during the enrollment process.

Funds requested to be transferred will be debited/credited to your Community National Bank account the business day following the day you initiate the transfer, provided you have met the FI's cutoff time for submitting Bank to Bank transfers. In the case of a future dated or recurring transfer, these time limits will be the business day following the

scheduled date of the transfer. The cutoff time for initiating transfers is 4:00 p.m. Funds requested to be transferred will be debited/credited to the non-Community National Bank account according to the receiving FI's availability and transaction processing schedule.

If you use our bank to bank transfer service to move funds electronically from an account with another financial institution, the funds will be available within 4 business days.

Request for immediate transfers of funds cannot be canceled. Future dated and recurring transfers can be canceled by 3:30 p.m. the day prior to the scheduled transfer date. If the transfer status is "In Process, Pending, or Processed", you cannot cancel the transfer. There currently are no fees for the Service. Fees are subject to change. Transfers are subject to the following limits unless otherwise agreed upon by you and Community National Bank:

1. Three incoming transfers per day per NetTeller ID not to exceed a total of \$3,000
2. Three outgoing transfers per day per NetTeller ID not to exceed a total of \$3,000

The above limits apply to the total of all transfers for each NetTeller ID for all accounts enrolled in the Service. We may change your dollar limits and transfer limits at any time.

Note: Debits/Credits are only processed on business days. No processing is performed on holidays. If the Debit/Credit falls on a holiday or weekend, the Debit/Credit will be processed on the next business day.

Unless specifically listed in this agreement, this Service is subject to the definitions and terms you agreed to when enrolling for Online Banking.
